Township Quotas Set In Polio Drive, Asks \$4,500 from Antioch

Quotas for townships in the north part of Lake county have been established in the Polio drive with the apportionment of the total \$125,000 settled as follows:

Antioch \$4,500; Newport \$1,200; Lake Villa \$2,700; Avon \$11,000; and Grant \$5,500.

Ed Gresens, appointed by the Lake county chairman, represented this area at a meeting of state polio fund workers at the Palmer House in Chicago recently at which Basil O'Connor, president of the National Foundation for Infantile Paralysis presided.

Their requirements for the foundation for the year were fully outlined as well as the activity which must be engaged in to continue the 100 per cent patient care which all polio victims receive.

Gresens said he believed that with the co-operation given by Loren Sexauer, Antioch; Mrs. William Dorsey, Newport township; Warren Sheehan, Lake Villa township and other township leaders the goal in Lake county will be met.

Sexauer said he already has started to set up the campaign in Antioch, which so far has been favorable, and the ground work is being laid rapidly for allocation of districts for volunteer workers.

Edward Kania, Jr., has been appointed director of the container division and has in turn selected Robert Rische who has been very active locally. Misses Terry and Mary Burns, of Waukegan and until recently of Antioch will return to this village to aid in the worthy cause. Richard Wells, whose family have been selected as the outstanding Farm Family of Lake county in a state wide competition a few years ago; Ray Toft, identified as a top contender in stock car racing; and Charles Jorgensen, a tool designer for Johnson Motors.

William Brook of the Antioch State bank has been appointed treasurer of the north half of Lake county in the March of Dimes drive. He will keep detailed records of the receipts in five townships and issue the final statement when the campaign is finished.

Antioch and Millburn 4-H Clubs Win Highest Honors in Lake County

The Antioch Aces, and the Millburn Maidens, 4-H home economics club were recognized as the "Clubs of the Year" in Lake county at the recent Achievement Day meeting in Grayslake. Both were 100 per cent clubs.

The Aces had as their leaders last year Mrs. T. R. Birkhead and Mrs. Robert Dewes and the Maidens, Mrs. Herbert Messner and Mrs. Ray Laursen.

Antioch was well represented in the lists of achievements and the program in general at the Grayslake Community High school a week ago Saturday.

State Home Economics Honor members included Ruth and Suzanne Birkhead, former members of the Aces, Mary Herman, Roberta Jach, Betty Jean McDougall, Shirley Nelson and Marlene Wertz.

In agriculture Thomas McGreal of the Antioch club had the best Jersey product and Everett Wells, the best beef product. Floyd McKinney and Joanne Paddock received T shirts for being enrolled in the Guernsey project.

Millburn Achievements included: Project Honor members, Jeanette Choje, and Ruth Ann Haisma. Recreation and rural art winners.

In the absence of Mrs. Helen Volk who was attending the 4-H congress as a chaperon, Miss June Kutt of this village gave out the home economics awards. Ray T. Nicholas, farm adviser gave out the agriculture awards.

William Brook, president of the Lake County Bankers federation gave out various awards including frames for first year achievement certificates to all who received the award.

Postoffice Open Wednesdays

The Antioch postoffice will be open Wednesday afternoons until January 3 to take care of the holiday rush, Roy Kufalk, postmaster announced.

Kufalk received word that the Chicago postoffice is short of help and is recruiting workers for it. Applications may be obtained at the Antioch Postoffice.

Many Cash Donations Made for Maintenance Of Antioch Scout Home

Many cash donations have been made for the maintenance of the Antioch Scout home recently.

The gifts, varying in amounts have been made by the following persons and organizations:

Loren Sexauer, American Legion Auxiliary, Anna L. Teich, Tony Scully, George Jaros, C. L. Wertz, Joseph Patrovsky, E. J. Sletten, Ethel M. Anderson, R. and J. Chevrolet, Elmer Rentner.

Antioch Woman's club, Emil Lubkeman, Mike Depner, George Good, E. Sorenson, C. L. Heath, E. J. Story, Royal Neighbors, National Tea Co., Sequoit Lodge, Harvey Miller, and Antioch Servicenter.

The Scout Home is only made possible as a place for community activities through donations.

William V. Kahler Is Newly Elected President Of Ill. Bell Telephone Co.

William V. Kahler has been elected president of the Illinois Bell Telephone Company by the company's board of directors in Chicago, it was announced today. Mr. Kahler has been vice president in charge of operations of the firm since 1946 and before that headed all company operations outside Chicago. He will assume his new duties on January 1.

He succeeds G. K. McCorkle, who was elected chairman of the board.

As chairman of the board, Mr. McCorkle will remain active in company affairs of financial and certain related activities. Kahler, as president, will direct the overall company operations.

A. F. Jacobson, operating vice president of the Northwestern Bell Telephone Company, headquartered in Omaha, Neb., was elected as the new vice president-operations.

Mr. Kahler is a native of Mendon, Mo. After graduation from the University of Missouri in 1922, he briefly was a rural school teacher. In the same year took a beginner's job in the Bell Telephone Laboratories in New York City.

He first came to Illinois Bell in 1924 as an engineer. He served in numerous engineering and plant positions for Illinois Bell and the A. T. & T. Company before becoming chief engineer for Chicago in 1937.

Just before and during World War II, Mr. Kahler had a number of assignments with the federal government.

Antioch Students Will Attend Career Meeting At Chicago Dec. 27-29

Many Antioch Township High school students will be among the thousands of high school and junior college students from Chicago and suburban areas who will examine and choose their careers December 27, 28, and 29 during the third annual Chicago Area Career conference at Illinois Institute of Technology.

Counseling by 60 experts in more than 200 fields of business, education, and industry will be offered during the three-day meeting.

The sessions are free and open to all public and parochial high school and junior college students.

The conference has been endorsed and is being supported by school superintendents Herold C. Hunt, Chicago public schools; the Rt. Rev. Msgr. D. F. Cunningham, Roman Catholic schools; and Edward B. Simon, Cook County schools.

The purpose of the three-day meeting is to acquaint students with various fields of work—emphasizing requirements, advantages, and disadvantages of each.

Last year 6,000 students attended.

Lighted Trees to Form Christmas Decorations For Downtown Antioch

Downtown Antioch is expected to take on a greater holiday appearance in the next few days through Christmas decorations to be put up by the village.

Murrill Cunningham, chairman of the street and light committee told members of the village board Tuesday evening that his committee is considering decorating the light poles with Christmas trees and colored lights.

Two trees would be tied to the poles about five feet up from the sidewalk and the string of lights used in former years and not useable for across-street lighting now will be cut up and used to decorate the trees.

The lights, limited to 300 watts to a pole will be turned off at midnight.

Just when the street department will depend on its work in clearing the streets of snow and ice.

Trustee Cunningham told the board that this should be the last year the village should stand the expense of the street decorations.

"This is something the merchants and clubs should be doing just as they are doing in other cities and villages," he declared. "We shouldn't be spending the taxpayer's money for this sort of thing."

Antioch is one of the few villages which bears the expense of Christmas decorations from village funds.

The tempo of Christmas shopping increased this week at Antioch stores. Some merchants say they are having difficulty in getting metal articles because the government limited manufacturers on raw products after August.

Attendance Honor Roll For Antioch Twp. High School Classes Listed

In an effort to discourage absenteeism in the Antioch Township High school the administration is giving special recognition to those who have perfect attendance records.

Commenting on the procedure, Principal R. C. Edmundson said yesterday:

"Individual success in any business depends upon three factors, ability, application and being on the job. An employee or a student who can be depended upon to be at work or at school every day unless he has a good reason for being absent will progress further, be happier with himself and popular with fellow workers or students. In fact, when school administrators meet with business men either formally or informally one of the topics for discussion is, 'What can the school do to teach prospective employees the importance of being at work every day and to be at work on time?'"

The general public realizes that this important element in success can be taught as subject matter and the school should assume its share of the responsibility.

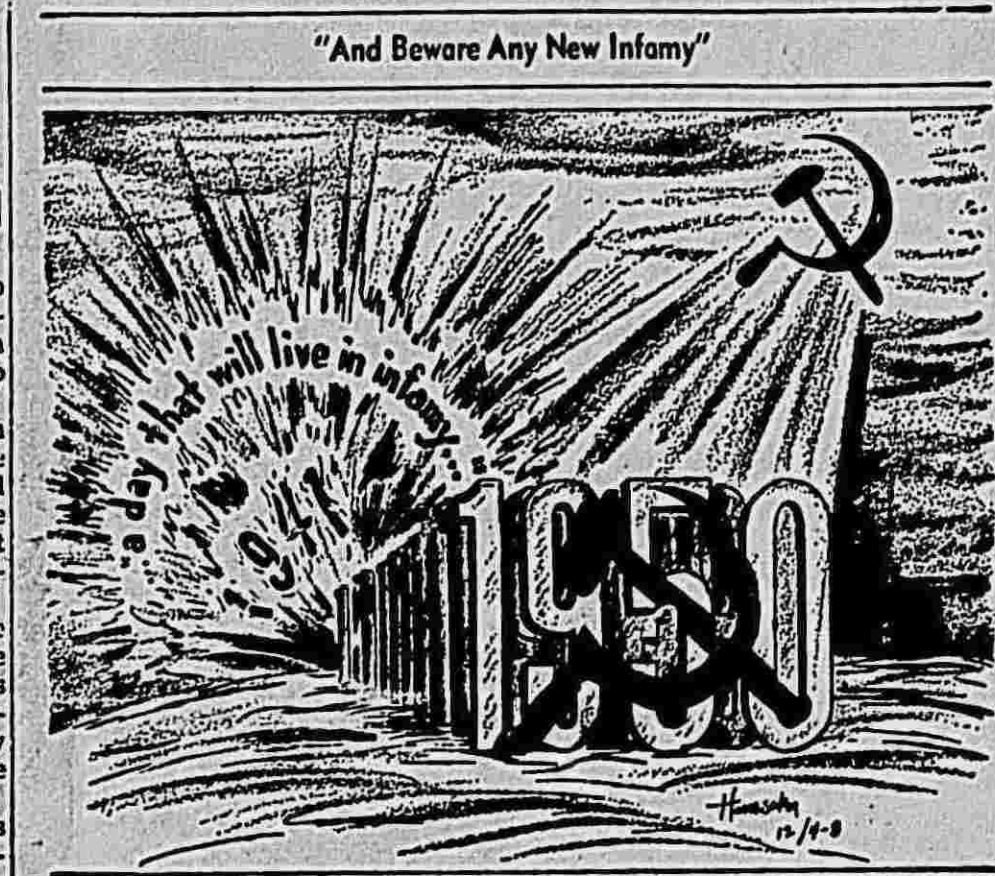

"Administrators and teachers note that students who eventually drop out of school before graduation usually begin by irregular attendance. First a day here and a day there until the pupil begins to get behind in his work and as the 'make up' work piles up he begins to lose interest to the point of leaving school. People who have studied the question of absenteeism are generally agreed that it is a matter of attitude. That persons who are regular in attendance at work have established this routine just as the person who is irregular in attendance has established his habits. If an adult likes his job or if a student likes to come to school he will see the importance of being there every day. It has always seemed to me that it is the joint responsibility of parents, business men, teachers, administrators, and the students themselves to point out to the students when the occasion arises the importance of being to school regularly."

"In order to give recognition to students and classes that have been efficient in this department we will give a resume of the attendance at the conclusion of each six weeks' period as well as that of scholastic averages."

Average Attendance 93 Percent

The average daily attendance of the entire student body for the period was 93 per cent. The freshman class ranked first with an average of 95 percent—sophomores and junior classes each had an average of 94 percent—senior average

(Continued on page 6)

Masons to Install New Officers Tuesday Night; W.S. Nelson, W. Master

New officers of Sequoit lodge No. 827 A. F. and A. M. will be installed Tuesday evening with Wendell S. Nelson, heading the organization as its new worshipful master.

Charles E. Schwarm, Waukegan, a district officer, will be the installing officer assisted by his son, Cline Schwarm, as marshal, John Gaa as secretary; and Richard W. Chapman, Sr., as chaplain.

Mrs. Mabel Lou Dow will serve as pianist.

The officers to be installed besides Worshipful Master Nelson are: Harold S. Nelson, senior warden; John Blackman junior warden; Edmond R. Strang, treasurer; E. W. Kufalk, secretary; Adrian M. Vanderkloot, chaplain; Bernard Schippman, junior deacon; Robert E. Pincombe, senior steward; Donald Sarge, junior steward; James Bruski, marshal; Ira Simons, Tyler and William E. Baned, organist.

Adrian M. Vanderkloot is the retiring master.

The installation will be public.

Hire Engineer to Study Plan for Industrial Site On Village Park Property

Prospect of making the village land east of the Soo Line track a place for new industry or residences took form Tuesday evening when the village board employed D. R. Miller, Great Lakes engineer, to investigate the possibility of sewer and water extension to that area.

The investigation has resulted from a proposal of an aluminum casting firm to buy land and start a factory in Antioch, and it will buy village property if it is suitable.

The desire of the village board is to put in sewer and water as an extension of the Ida ave., mains east to the village limits with a prong, or lateral extending south midway of the land east of the tracks.

Much of the expense would be in tunneling under the Soo Line tracks. A roadway could be placed at the edge of the village property along side the railroad tracks for loading purposes.

While considering its own plan for a new subdivision, the village delayed its approval on a subdivision of 28 lots which Barney Naber wants to open on Orchard and David sts.

Naber Plans Subdivision

Known as the B. F. Naber's and Helen L. Osmond subdivision west and north of the new St. Peter grade school, the new housing area as an extension of Orchard st., has lots of varied widths to suit the types of homes the purchaser wants to build.

A village law requires that the person opening up a subdivision pave or gravel the roads to a 6-inch depth and 12 foot width before it can be approved by the village. The alternative is a bond to see that the paving is completed before deeds for lots may be validated. An estimated 1,500 feet of paving would be needed in this subdivision.

Pay Paving Engineer

The board passed a resolution paying Victor H. Klassen, engineer, Elgin, \$95 for preparing the long range paving plan for Antioch as required by the state.

Lateness of the hour prevented a

(Continued on page 7)

Antioch Annexes First Victory Over Grayslake; Plays Grant, Richmond

Antioch High school stepped outside the Northwest Conference Saturday evening in winning her first basketball game of the season, beating Grayslake 33 to 27.

It was the typical game for the Sequoits this season, only in this event, after spotting their opponent a comfortable margin in the first half, their comeback in the last half was strong enough to win.

Such was not the case in the game with Barrington here Friday evening when the Sequoits lost 33 to 44. The Broncos got a 7-point lead in the first quarter, but beat the Sequoits in the remaining quarters by only one point each.

Antioch has a good fighting spirit.

Mission to Be Held At St. Peter's Church Week of Dec. 10-17

For the first time in three years a Mission will be held at St. Peter's church in Antioch.

It will be conducted by Fr. John Mackin, who is a member of the Diocesan Mission Group.

Services will be held each evening beginning Sunday, Dec. 10 and closing Sunday, Dec. 17.

"It will be an opportunity for all to meditate on the eternal truths," said Fr. Francis Flaherty, pastor of the church. "At the same time it will provide a wonderful means of preparing for the spiritual celebration of Christmas."

All persons are invited to attend, he said.

Christmas Seal Receipts Far Ahead of Last Year, Richard Whitacre Reports

At the end of the second week of the 1950 Christmas Seal sale, receipts total \$15,643.16, Richard Whitacre, Board member of the Lake County Tuberculosis Association said today. This is \$2,675.26 over the total for the second week of last year.

More than 45,000 letters were mailed to Lake County residents on November 20. To date 7,367 letters have been returned with or without money and 1729 were undeliverable, Mrs. Fossland said.

One interesting part of the job of opening the mail, Mrs. Gerard Fossland, chairman, said, is the chance one gets to read the notes people enclose with their contributions. Most people seem to like the design of this year's seal much better than last year's and many people enclose a wish for a Merry Christmas and a successful seal sale.

One family thanked us for mailing the seals to them so early because most of their mail went to Denmark. "The land where the Christmas Seal originated." Many others "wish it could be more."

The Lake County Tuberculosis Association, hopes to raise \$45,000 this year in order to carry on and expand their program in Lake County.

Two New Firemen

John Dupre and John Tegelman were approved as new members of the fire department by the village board Tuesday evening.

Antioch to Give New Telephone Franchise To Replace Antique

Bell Co. Will Offer More Than 1898 Document Provides

Antioch can give the Bell Telephone Co., a new franchise if the village board wishes.

To reveal the fact, the board didn't know that even an old one existed and could be replaced.

John Littler, manager for the telephone company in the north part of Lake county, accompanied by Harry Greenlee, line foreman, appeared before the board Tuesday evening with a copy of a franchise given the old Chicago Telephone Co., July 8, 1898.

The franchise was signed by J. C. James, president of the village board, and A. P. Ames, clerk, and provided that in turn for the privilege of operating the telephone system in Antioch the telephone company would provide free service for each and every fire station the village had.

The franchise passed to the Bell Telephone Co., successor of the Chicago company, and is still in effect.

While the village gets the telephone for the fire station free, it has to pay for the extensions and for the bell alarm at the village building.

Littler gave the board a copy of the new franchise commonly used but left open the amount of free service the village would ask in exchange for the privilege.

"I'm convinced that the telephone is here to stay," joked Mayor James McMillen. "I don't think there will be any trouble replacing the old franchise. We're not going to make you tear lines out," he quipped.

Clerk L. D. Powles said he never saw the old franchise and didn't know where the village copy was. Members of the board confessed they didn't know one existed.

The copy of the proposed new franchise was turned over to Edward C. Jacobs, village attorney, for study and presentation at the next board meeting for adoption.

The old franchise provided no time limit and was considered "perpetual." Court decisions have held that no franchise of this kind can be negotiated and the board will set a time limit on the new one. The time can then be extended by renewal.

Manager Littler said that because of a shortage of copper wire caused by the Korean crisis the removal of poles on Main st., will be delayed.

"It will hardly be started before March 1 at the earliest," he said.

Board members said they would not push the telephone company in this matter.

While the underground cables have been laid, a cable connection between the central office and the pole in front of the A and P store is needed, and new outlets must be put in all buildings on the east side of Main street.

Now that the village has new light poles the old wood ones fast deteriorating, and used only by the telephone Co., are not needed.

Woman's Ankle Broken In Auto Collision of Edwards Rd. Residents

Margaret Cooper, of Edwards rd., was taken to Libertyville hospital with a broken right ankle and torn ligaments last Thursday afternoon when the car in which she and Mrs. Katherine Shea was riding with Westleigh Stephenson was struck by a car driven by Mrs. Edward J. Brandt, of Edwards rd.

Mrs. Shea is under a doctor's care suffering from bruises, but Stephenson was unhurt. Mrs. Brandt and her small son were but little hurt.

Stephenson was driving west on Edwards rd and Mrs. Brandt south on the county trunk rd., one mile east of Rte. 45 and the collision occurred at the road intersection.

The Stephenson car was knocked off the road across the ditch into a field, knocking down a fence post. Mrs. Brandt's car was badly damaged.

Lions Club to Elect, and Hear District Governor

Berton Hoffman, past district governor of the Lions International, will address the Antioch Lion club Monday evening at Pregner's resort, Irving Carey, president, announced.

It will be the time for the annual election of officers.

The Waste Goes On

Fire prevention is important at any time. It is especially important in a time of emergency, such as the present, when there is a heavy demand for manpower and materials of all kinds, and when waste is a serious drain on the energies of the nation.

The organized war against fire has increased in intensity. The experts are doing all they can to reduce the toll. But, unfortunately, the waste is continuing at a high and disgraceful rate. In the 12 months which ended September 30, for example, direct fire loss was more than \$685,000,000—an increase of about two per cent over the preceding 12 months. This can only be a reflection of the public's failure to learn and apply the simple rules of fire prevention.

One tragedy of fire is that prevention, with few exceptions, is easy. It is estimated that less than 10 percent of our fires are truly unavoidable. All the rest are caused by human failure of one kind or another. And the most common failures are plain carelessness and indifference.

The individual's principal fire prevention jobs lie in his home. Most home fires arise from the simplest of causes. Carelessness with smoking materials—improper storage of paints and other flammables—accumulations of old clothes, paper and trash defective heating and electrical equipment—these are fire's most potent allies. Yet all of them can be easily and inexpensively eliminated.

Prevent fire—in your own interest, and in the interest of your country.

Same Old Propaganda

A spokesman for the utility industry recently announced that there is plenty of electric power to meet all needs, and charged that "the present emergency is being used to promote government power plants with the same old propaganda about 'power shortages.'"

At about the same time, it was announced that the industry, because of the grave international situation, had placed new orders for a vast amount of

heavy electric power equipment over and above that already on order and scheduled for delivery. The electrical manufacturers were able to accept these new orders for early delivery without interfering with previous schedules.

The utilities past record is the best clue to future performance. There has never been a serious power shortage in this country. The tremendous demands of the last war were met efficiently and promptly—and the great bulk of war supplies was produced in the industrial areas served by the business-managed companies, rather than in the areas with government plants. Since the war, the industry has spent \$8,000,000,000 for expansion, will spend at least another \$7,000,000,000 in the next three years, and will spend more if needed.

Every emergency, including that in Korea, is at once seized upon by those who see a chance of frightening the people into accepting more socialism, more taxation, more government-in-business, more political controls of every conceivable kind. The present cry of "power shortage" has no basis in demonstrable fact. The same cry has been used for the past twenty years to promote the Federal power socialization plan.

The Food Outlook

In a recent address, Secretary of Agriculture Brannan made some enlightening remarks on the food situation.

"The nation's superb food production rules out any need at this time for a system of food controls," he said. "Industry and government, working together with the support of farmers and consumers, can take steps which may avert the need for controls. Certainly we can ease the necessity and fight a delaying action against the inflationary forces which are likely to make food the pressure point in our economy. It is our job to see to it that we are strong enough at this point to absorb the pressure of increasing demand when more purchasing power moves into the food market."

"The best informed judgment at our command forecasts an upward trend in over-all food prices. But the rise will be held to moderate size by the ample supplies of food on hand and by the equally real fact that meat prices are going down. . . . It is worth noting that the price spurt which came on the heels of the Korean outbreak occurred at the year's low in livestock slaughter and during the normal decline in the nation's meat stocks. The turn-about is the result of heavy cattle and hog marketings."

The Secretary then said that "these familiar peaks and valleys" will be repeated in the future—in eggs, milk and other products as well as meat. They simply reflect the normal functioning of supply and demand in a free economy. Artificial controls, which interfere with this functioning, always cause shortages, black markets, and other such dislocations. Only the free market can be trusted to protect the legitimate interests of both producer and consumer.

WILMOT

Mr. and Mrs. Henry Vincent, Mr. and Mrs. Geoffrey Goulding were Sunday dinner guests of Mr. and Mrs. Al VanDeWalker, Crystal Lake.

Mr. and Mrs. Norman Roberts and Gail, Lyons, were Sunday guests of Mr. and Mrs. Wm. Wertz.

Mothers Club Christmas Card party will be held Dec. 18, 8 p. m. sharp. Hostesses will be Mrs. Wm. Wertz, Mrs. Joe Rausch, Mrs. Adolph Marcussen, Mrs. Richard Davis, Eva Stenzel. There will be exchange of gifts.

Mr. and Mrs. Kersit Gebrook, Trevor, Mr. and Mrs. Frank Higgins, Union Grove, Mr. and Mrs. Albert Higgins, son, Rollin, Kenosha, were guests of Mr. and Mrs. George Higgins the past week.

Mr. and Mrs. George Higgins attended the Little Theatre play at Kenosha Saturday evening.

The Wilmot Grade school Panthers basketball team was defeated by the Kenosha Red Devils, 33-15 at the K. Y. F. Kenosha.

Mr. Eugene Frank and son, Eugene, Burlington, Mr. and Mrs. Frank Zarnstorff, Jr., Richmond, spent Sunday afternoon with Mr. and Mrs. Frank Zarnstorff, Sr.

Mrs. Clifford Schaaf and son, Douglas, Powers Lake, spent Monday with Mrs. Frank Zarnstorff.

Mr. and Mrs. Earl Schales, Woodstock, Mr. and Mrs. Wion Speaker, Jr., Richmond, Mr. and Mrs. George Feldkamp and family, Salem, spent Sunday with Mr. and Mrs. Cyril Pacey.

Shirley and Barbara Rasch spent the weekend with Mrs. L. E. Sweet, Richmond.

Mr. and Mrs. Walter Rasch and family, Slades Corners, spent Sunday with Mr. and Mrs. Elmer Rasch.

Mr. and Mrs. Freddie Mauser and family, Zion, were Sunday dinner guests of Mr. and Mrs. Ervin Rasch.

Mr. and Mrs. John Hackeser and son, Chicago, were Sunday dinner guests of Mr. and Mrs. John Rasch, Jr., afternoon callers were Mr. and Mrs. Viggo Schaefer and family, Pleasant Prairie.

Mr. and Mrs. Roger Sherman and family, Viola Sherman, Mr. and Mrs. Ray Bufton, Anna Kronicke were Sunday guests of Mr. and Mrs. Wayne Tilton, in honor of Viola Sherman's birthday anniversary.

Mr. and Mrs. Fred Liedtke, Kenosha, Mr. and Mrs. Walter Zinsky, Palatine, Mr. and Mrs. Elmer Greenwald and family, Brighton, Mr. and Mrs. Richard Schlenvoigt and family, Des Plaines, Mr. and Mrs. Lloyd Holdorf and sons, Jimmy and Marvin Muleski, Dolly Ries, Mr. and Mrs. George Graber, Antioch, were Sunday dinner guests of Mr. and Mrs. Walter Frank.

Mr. and Mrs. Frank Kruckman attended a family reunion Sunday at Mrs. Alice Cole's, Crystal Lake, in honor of Mrs. Kruckman's brother, Tom Anderson, Long Beach,

Calif., they also called on Mr. and Mrs. Raymond Colby, Crystal Lake.

Mrs. Hubert Miller, Honey Creek, spent a few days with Mr. and Mrs. Marlin Schnurr.

Mr. and Mrs. Dan McCallum and daughter, Mary, spent Thursday evening with Dr. and Mrs. Hugh Vincent, Zion.

Mrs. Dan McCallum spent Saturday evening with Mrs. Este Varner and Mrs. George Churchill, Grayslake.

Florence McDougall spent Thursday and Friday with Mr. and Mrs. Don Herriek at Chicago.

Mr. and Mrs. Matt Thom and family, Schaumburg, Mr. and Mrs.

Edwin Parke and Becky, Barrington, Ella and Hnnah Neuman, Ra-

tion, were Sunday dinner guests of Mr. and Mrs. Gust Neuman.

Mr. and Mrs. John Ehler and Ma-

bel spent Wednesday evening with Mr. and Mrs. Frank Zarnstorff, Sr.

Mr. and Mrs. Albert Breusch and granddaughter, Chicago, spent Thursday with Mr. and Mrs. Frank Zarnstorff, Sr.

Mr. and Mrs. Harvey Brown are spending a few days at Fairchild, Wis., where they attended the funeral of the latter's brother-in-law, Mr. Dewey Walker.

Mr. and Mrs. Raymond Peterson and John Peterson were Sunday guests

and son, Silver Lake, Mr. and Mrs. of Mr. and Mrs. Russell Ehler, Oak Knoll.

Mr. and Mrs. Russell Schmalfeldt, Kansasville, spent Sunday evening with Mr. and Mrs. Paul Ganzlin.

Charles and Paul Schmalfeldt, Kansasville, spent Tuesday with Mr. and Mrs. Paul Ganzlin.

Mr. and Mrs. Tony Senkerik and family, Chicago, Mr. and Mrs. Duane Ehler and son, Jeffrey, Burlington, spent Sunday with Mr. and Mrs. John Ehler.

Mr. Elmer Greenwald, Brighton, Ruth Holdorf, Des Plaines were united in marriage Saturday, Dec. 3, at 4 p. m. at the Lutheran parsonage by Rev. R. Otto. Attendants were the bride's sister and brother-in-law, Mr. and Mrs. Walter Frank. They will reside on a farm in Brighton Township.

"Fugio" Cent
The words "Mind your business" appear on the first coin (the "Fugio" cent) to be struck by authority of the United States. The complete and literal translation of the inscribed phrase is: "I (time) fly, therefore mind your business." Benjamin Franklin is believed to have influenced the design of the coin, which bears the date 1787.

Bus Riders
About 65,000,000 Americans ride trolley coaches, buses and street cars in an average day. There is one public transit employee for every 217 riders.

Heavier R. R. Rails
Railroads spent nearly 54 million dollars for heavier rail in 1949, which was more than ever expended in any year on record.

Jap Jaywalkers
To an American in Tokyo, Japan seems a nation of jaywalkers. And an automobile horn blast at the Japanese jaywalker usually gets no results. Apparently the way they figure it is that a tooting horn means you have seen them and will avoid them.

Cinderella Story
Nitokris of Egypt was bathing in the Nile when an eagle carried her sandal away and dropped it into the lap of the king. He said he would wed the woman who owned the slipper. And he did!

Prevent Puckering
When stitching sheer fabric on a sewing machine, prevent puckering of the material by basting it to strips of tissue paper. After stitching, the paper is easily pulled off.

Cuban Tourists
United States tourists during 1949 spent approximately \$18,000,000 in Cuba, according to recent estimates by the United States Department of Commerce. This was slightly higher than the \$17,500,000 in travel expenditures during 1948, and only slightly below the record high of \$19,200,000 in 1947.

Catfish
Many a wily female has coaxed her spouse into taking care of the kiddies, but the mamma gaff-top-sail catfish really stretches the point. For about 80 days her mate patiently holds a mouthful of eggs the size of marbles. He doesn't swallow them, but neither does he get to swallow any food.

Railroad Ties
There are approximately 3,000 cross ties per mile of railroad.

Soy Beans
Soybeans are sensitive to low temperatures.

TELEVISION with RADIO

HERE'S WHY!

SETCHELL-CARLSON

UNIT-IZED
TELEVISION
IS YOUR BEST BUY!

The entire chassis is organized into 8 easy-to-remove plug-in units. Many yet-to-be-discovered improvements that can be built into these 8 units, will allow you to keep pace with new developments by changing units

rather than the complete set. Setchell-Carlson's circuit design (patent applied for) prevents many major operating failures. For most changes or repairs, the set need not leave the home to be put back into factory working condition.

UNIT-IZED for Uniformity... for Modernization... for Maintenance

A CHRIS-CRAFT OUTBOARD MOTOR

Yes, a new 'Chris-Craft' outboard motor is certain to be welcome on Christmas morning, and on many other mornings over the years, whenever the sportsman in your family goes hunting, fishing or boating. Why take chances when this gift is sure to please?

Built and backed by Chris-Craft, the acknowledged leader in the marine field, the new motor features engineering advances which are characteristically Chris-Craft and which set them apart from all other outboard motors. In a Chris-Craft you get split-second starting, extra slow trolling speeds, extra fast top speeds, and smooth, almost vibrationless power flow. Here's a gift any sportsman will welcome.

HICKORY

The Mothers Club wants to thank all who helped to make the Bake Sale a success.

Mr. and Mrs. Rudolph Novy and sons spent Sunday with the Joe Novy family at Round Lake.

Gordon Wells, Sr., was a medical

patient at Victory Memorial hospital over the weekend. He was threatened with pneumonia. He came home Monday.

Mrs. Frank Upton and her daughter, Mrs. Eddie Durkin and children of Bristol visited the Will Strahan family Sunday afternoon.

Mrs. Gordon Wells and son, Everett went to the Fat Stock Show in Chicago on Thursday.

Marsh Gas

A blue flame may appear on certain pieces of land. This is probably due to methane, also called marsh gas or fire damp. If there are mines in the vicinity, it may be escaping from them; it is also formed by the decay of vegetation in the absence of oxygen. Such a process may occur in stagnant ponds and swampy places.

Almond Production

American almond production, limited to California, and Illinois (hazelnut) production, limited to Oregon and Washington, have more than doubled in the past few years. Record crops of both were reported in 1949. In each case the west coast output is but a small fraction of the world harvest, in which Mediterranean countries lead.

Bowling

The chances of rolling a 300 game in bowling are about one in 175,000.

Farm Fires

The basic cause of most farm fires are faulty construction and carelessness.

Refreshingly new IN ALL THE THINGS YOU WANT!

New outside! New inside! Refreshingly new in feature after feature! That's Chevrolet for 1951—the greatest value the leader has ever offered!

It's America's largest and finest low-priced car—looking even longer, lower and wider than its famed predecessor—thanks to distinctive new styling with entirely new front and rear-end design and new America-Preferred Bodies by Fisher of surpassing beauty.

With all these new things, it brings you the proved things, which cause more people to buy Chevrolets than any other car, year after year.

It brings you extra-sturdy, extra-rugged, extra-durable Chevrolet construction; it brings you that more thrilling and thrifty Valve-in-Head engine performance for which Chevrolet is world-famous; it brings you comfort feature after comfort feature and safety feature after safety feature found only in Chevrolet and higher-priced cars.

Come in; make a thorough inspection of this most beautifully balanced motor car the leader has ever built; and you'll agree it's America's largest and finest low-priced car!

**MORE PEOPLE BUY CHEVROLETS
THAN ANY OTHER CAR!**

SOCIETY EVENTS

Legion Auxiliary to Have Christmas Party Friday; Takes Gifts to Veterans

The American Legion Auxiliary will hold its annual Christmas party with an exchange of gifts on Friday, Dec. 8, in the Legion home. A jewelry demonstration will be shown by Miss Hattie Boehm, of Libertyville.

Mrs. Walter Hills, rehabilitation chairman, Mrs. Harold Ellis, president and Mrs. Earl Horton went to Downey recently and wrapped Christmas gifts for the Veterans.

Over twelve hundred candy bars, eighty five decks of cards, a large number of magazines and an afghan made by Mrs. John L. Horan were delivered to Downey hospital by Mrs. Walter Hills, rehabilitation chairman of the American Legion Auxiliary. She wishes to express her thanks to the pupils of St. Peter's Parochial school, Antioch Grade school, the students of the Antioch Township High school and the Willing Workers for taking part in the candy shower. Candy bars are used in the treatment of certain patients.

Christmas Quite Limited In Turkey Miss Roberts Tells B.&P.W. Club

Christmas is given but slight recognition in Turkey which is mostly Moslem, according to Cornelia Roberts, former Antioch resident, who told the Antioch Business and Professional Women's club of her six years as a teacher in that land.

Miss Roberts, now a teacher in the Grayslake High school, spoke before the club at its dinner meeting Monday evening at the Scout Home.

While Christmas is given token recognition, there is no celebration. The Moslems are interested, however, in the Christmas tree idea. They take three days for the celebration of New Years, she said and about Dec. 15 start sending out greeting cards in abundance. They are quite plain, however, and do not resemble the fancy Christmas greeting cards of this country.

The Greeks celebrate Christmas at a different time, but their celebration is quite extensive.

HOME BUREAU LEADERS MEET DECEMBER 7

"Broiler Meals" is the local leader lesson which will be given at the Home Bureau office, in Grayslake, from 1:00 to 4:00 p. m. on Thursday, Dec. 7. Miss Geraldine Acker, Foods and Nutrition Specialist, University of Illinois, will present this lesson to local leaders from each unit in the county. They, in turn, will give it at their unit meetings in January and February. This lesson will, no doubt, result in better use of broilers by homemakers. Their families will also enjoy more variety and interest in their meals.

NOTICE M. Y. F.

The Methodist Youth Fellowship plan to have a fireside at the home of H. Grimm, Sunday, Dec. 10. They are to meet at the church at 6:00 p. m. and transportation will be arranged from there.

Marlene Wertz will lead the worship service.

If the weather permits there will be a sleigh ride.

Mr. and Mrs. Frank J. Kasik, formerly of Antioch and Berwyn, recently purchased the L. Christ home at 4104 N. Hahndorf St., Westmont, Ill.

They moved into their new home on Dec. 2, their 51st wedding anniversary.

Guests for cake and coffee on Sunday included Mr. and Mrs. Edward Chval, Sr., Mr. and Mrs. Edward Chval, Jr., of Cicero, Mr. and Mrs. Wesley Zimmerman of Naperville and Miss Dorothy J. Ferris, of Antioch.

Sequoia Unit 4551, V. F. W. will hold initiation of new members during the meeting Monday evening, Dec. 11, at 8 o'clock in the parish hall at St. Ignatius church.

A Christmas party with the exchange of Christmas gifts (not to exceed 50c) will be held following the meeting. There will be cards and refreshments.

Mr. and Mrs. John Lucas and sons left Chicago by American Air Lines Wednesday for Los Angeles, Calif., where they will visit Mrs. Emma Nixon. Mrs. Nixon is a former resident of Antioch.

Lakeside Rebekah Lodge will sponsor a public card party Saturday evening, Dec. 9, at 8 o'clock in the I. O. O. F. hall (over the Gamble Store). All popular games will be played and refreshments served.

Mr. and Mrs. Alonzo Runyard were guests of Mr. and Mrs. Donald Mulks at Whitewater. Mr. and Mrs. William Mulks of Whitewater were also dinner guests.

Mrs. Carey Irving, Kenosha Co., formerly of Antioch is a surgical patient at the Kenosha hospital.

Parents of Daughter

Mr. and Mrs. John Skalak are the parents of a daughter, Jeanette Charlotte, born December 1, at St. Therese hospital, Waukegan.

Mr. and Mrs. Perry Moody, of Chadron, Nebraska and Mr. and Mrs. Jesse Knapper, of Jefferson, Iowa, were guests at the E. J. Luteran home recently.

Seniors Will Sponsor First Annual Christmas Dance Saturday, Dec. 29

The first annual Christmas dance of the Antioch Township High school will be held on Saturday, Dec. 23, sponsored by the Senior class.

This dance is to be semi-formal for couples only and will be from 8:30 p. m. to 11:30 p. m. with music furnished by Art Smejkal's orchestra.

The following committees have been formed and their plans are well underway.

Ticket committee, Darine Tobias, chairman; Jack Chope; Patricia Freund and Mary Snyder.

Program committee, Lorraine Bock, chairman; Jean Hawkins; Betty Erickson; Leroy Schroeder; Laura Ring; Patricia Hogan and William Holt.

Advertising committee, Mary Curnes, chairman, Virginia Petersen, Barney Cosgrove, Janice Runyard and Ralph Yopp.

Refreshment committee, Betsy Messing, chairman, Virginia Petersen, Dolores Corbin, Jean Hawkins, Bernard Haviland, Charles Halling, David Deering, Ruby Krieger, Marilyn Wallace, Ted Gojenski, William Holt and Joyce Thulin.

Clean up committee, Bernard Gutowski, chairman, Pat Weber, Mary Curnes, Chase Willson, Robert Miesiek, Charles Hamlin, William Dunworth and Laura Ring.

Mrs. Pflager Describes Mediterranean Travel To Local Club Women

Snow and icy streets seemed far away as Mrs. C. F. Pflager took members of the Antioch Woman's club on a described cruise of the Mediterranean sea during the meeting Monday afternoon at the Scout house.

Far-away places with exotic names—Casa Blanca, Algeria, Egypt, the Nile, Palestine, Istanbul, the Bosphorus, Cyprus, Crete, Naples, the Riviera—all were on the itinerary, and each became more than a name as they were woven a background of people, animals, trees, buildings, streets and city halls.

The illusion of the trip continued from the time of the visit at the United Nations session on the way to New York harbor until the Rock of Gibraltar was passed on the way home.

ATTEND ANNUAL CHRISTMAS PARTY FOR VETERANS

Tony Sciacero, commander of Sequoia post 4551, V. F. W., Mrs. Myra Randall, pres. of Sequoia Unit, Mr. and Mrs. Richard Burnett, Dr. and Mrs. L. J. Zimmerman, Mr. and Mrs. Warren Edwards, Rev. R. E. Ehrgott, Mrs. Laura Swanson, Unit hospital chairman, Mrs. Bertha Burdette, Mrs. Nellie Hanke, Mrs. Burt Anderson and Mrs. Mary Mann, members of Sequoia Unit, assisted at the Units annual Christmas party for patients in building 1611, on the McIntyre side at Downey.

Two hundred patients attended party, bingo was played and prizes awarded and refreshments served. King Jaro and his orchestra entertained and played for the dancing.

Mrs. George Jaro, wife of the band leader and Mr. and Mrs. Frank Lamson were present. Mr. Lamson is commander of North Chicago post V. F. W. Mrs. Lamson is hospital chairman from North Chicago unit.

L. V. CHURCH NEWS

The third in the popular series of sermons "Life's Great Questions" will be delivered at the morning worship service. The question to be answered this Sunday is "Is the Bible Really True?" The senior choir will sing under the direction of Mrs. Gordon Martin. Diane Meek will serve as acolyte. In keeping with the policy of the church, a group is being invited as guests each Sunday, and the group which has been asked this week is the Lake Villa Bible Fellowship. The Woman's Society of Christian Service attended in good numbers last Sunday. A nursery is open for small children during both Sunday school and church. Why not attend next Sunday?

The Halcyon Group is sponsoring the monthly Family Night Potluck supper Wednesday, Dec. 13, and it promises to be the best one yet. In addition to the abundance of food supplied by the simple method of each person bringing one dish or food item, there will be a recent outstanding full length production Hollywood movie shown. This is an which won acclaim and awards three years ago. It features the most genuine Santa Claus anyone ever saw. Both children and adults will be highly entertained. No admission but a free will offering will be taken.

CARD OF THANKS

We wish to thank our neighbors and friends for their many acts of kindness during the recent illness and death of my husband, James E. Sheehan.

Mrs. Louise Sheehan and children

Lakeland Players Give Play "Adam's Evening" At High School Tonight

The curtain will rise at 8:30 this evening on the first of two nights' presentation of the play "Adam's Evening," by the Lakeland Players at the Antioch Township High school auditorium.

The farce comedy, written by Catherine Cavanaugh, is a sure fire laugh getter and as presented by the more experienced of Antioch home talent will no doubt be highly entertaining for the acting itself.

The play has been in practice for many weeks and on the basis of the production of the Lakeland Players in the last two years should go over big.

Attendance Honor Roll...

(Continued from page 1)

of 93 per cent. During the six weeks' period there were 252 cases of tardiness distributed through the classes as follows: freshman 60; sophomore 51; juniors 59; and seniors 82.

Students who were neither absent nor tardy for the period are:

Seniors: Betty Burnette, Dolores Corbin, Mary Curnes, Richard Haak, Charles Hamlin, Charles Horton, Ruby Krieger, Ann Mattson, Fern Mattson, Betsy Messing, Chase Millsap, Virginia Peterson, Janice Runyard, Mary Len Snider and George Swenson.

Juniors: Ronald Arndt, Thomas Atwood, Paul Biel, William Clarke, Denise Chrishop, Gail Deitrick, John Halvorsen, Patricia Keulman, Dolores Larsen, Gloria Lubkenian, George Masopust, Marilyn Mix, Joanne Osmond, Irene Perry, Anthony Scarnato, William Simonsen, Louis Snider, Joan Stephens, Roger Stratton, Virginia Van Patten.

Sophomores: Uldine Anderson, Eugene Baethke, Sylvia Beelow, Les Bogaerts, Dolores Braechman, Janet Bunkelman, Audrey Case, Leonard Case, Joan Cervenka, Jeanette Chope, Nancy Cunningham, Mary Fields, Jeanne Hughes, Mary Kisel, Gloria Lasco, Harold Malm, Karen Martin, Mary Ann Nielsen, Geraldine Paglusch, David Petty, Gwyn Pierce, Charlene Pauls, Grace Rendall, Patricia Schumacher, Robert Seekatz, Nancy Sheehan, Fred Stahmer, Lorraine Steinal, Ronald Thorne, Nancy Vane, Marlene Wertz, William Wilson.

Freshman: Fred Bartlett, Janet Caddy, Edwyne Chernik, Jon Cugier, Marilyn Dowell, Carmen Edmundson, William Gebhardt, Joseph Gutowski, Joanne Haak, Virginia Harness, Jerry Healy, Richard Hedbert, Janet Horenberger, Larry Hostetter, Richard Hume, Robert Jar-nigo, Joe Kelly, Robert Langosch, Darlene Lauris, Lois Laecher, Margaret McGann, Donna Martin, Wendy Midgley, Mae Miller, Shirley Nelson, Robert Nohlecheck, Gail Pedersen, Jimmie Quedenfeld, Kay Stattenwerk, William Terry, Larry Thompson, Beverly Van Patten, Phil Vos, Sharon Weber, John Wells, Harold Wilson.

Mrs. Mildred J. Bretz and Miss Herman, of Chicago, were guests of L. C. Ross at his home on Bishop St., Monday.

Funeral Services Monday For Raymond Thompson At Allendale Chapel

Funeral services were held at 2 p. m. Monday for Raymond A. Thompson, 52, director of the Allendale School for Boys at Lake Villa, who died Thursday.

The Rev. L. H. Messersmith had charge of the service which was conducted in the Allendale chapel.

Mr. Thompson, who was widely known in this community and highly respected, had been director of the Allendale school for 19 years and had much to do in the shaping of the lives of the boys who were under his direction.

He formerly lived at Oak Park and River Forest.

He was a member of the Lake Villa Community Men's club, the Lake Shore club, and was connected with many social agencies.

Mr. Thompson first married Viola Kuhaupt, Aug. 22, 1922, who died Jan. 1, 1943. He married Elizabeth Engle, who with his two sons, William R., athletic director at the school, and Robert A., sophomore at Lake Forest survive.

Mr. and Mrs. Farms Injured in Car Crash

Richard Farms and his wife, Dorotha and their son, Thomas, 10, of Lake Villa, were injured Friday night in a two car crash near Crooked Lake, on Route 173.

Mr. Farms was treated for head and arm bruises and Mrs. Farms suffered a bad knee injury and head injuries. The boy was cut on the forehead. A car driven by W. W. Haether of Deep Lake rd., Lake Villa, skidded on the icy pavement crashing into the Farms car. Haether was unhurt.

Sgt. M. L. Edwards Enlists Again in Army

Mr. and Mrs. Warren Edwards received word from their son Maurice, stationed in Germany, that he had re-enlisted in the army for four years.

Maurice, a graduate of the Antioch Township High school, has been in service for the past four and a half years and has been stationed in Germany for the past three years, previous to this, he was stationed Japan.

Maurice would like to hear from his Antioch friends. His address is as follows: Sgt. Maurice L. Edwards, A. F. 16218191, 85 General Supply Squadron Depot, A. P. O. 207, New York, N. Y. U. S. Air Force.

Bob Kraft Wins Radio Prize

Robert Kraft, who recently joined the navy and is stationed at Hollywood, Calif., was awarded \$50 on the Jack Bailey quiz program there recently. The questions Bob answered pertained to golf.

Gas Range

Because of high cooking temperatures, a type of oxide coating forms on the aluminum burner heads of your gas range. Just shine them up with ordinary aluminum cleaner.

Antioch Annexes First

(Continued from page 1) this year and with a little more experience, they will be tough competition for any team in the conference.

They will play at Grant High tomorrow evening and at Richmond High on Saturday evening. Their next three games will be away from home.

Swank Chevrolet Convertible Restyled for 1951

Chevrolet's sleek new convertible reflects to excellent advantage the lower, longer lines of 1951 models. A major improvement in the convertible is a rear top window of flexible plastic which offers more than three times as much vision as formerly. Leather upholstery comes in contrasting or harmonizing shades to lively new body colors. Safe brakes are another feature of the new models.

Bean Diet

Although in the United States about nine pounds of dried beans per person are eaten each year, the bean diet is far from monotonous. Every section of the nation has a different way of preparing the many varieties of dried beans—navy or pea, red kidney, great northern, yellow eye, pinto and lima, to list the most familiar.

Some of the recipes come straight from the American Indians who cultivated beans from Peru to Canada many centuries before the coming of white men. The baked bean, for example, was familiar fare around New England Indian camp fires long before the founding of Boston.

Succotash—a mixture of corn and beans—was a popular dish of the Incas in Peru, while the frijoles of the ancient Mexican Indian are still considered the national food of Mexico.

Child's Eating Habits

Children and babies have taste preference just as adults have, and therefore should not be forced to eat everything set before them. Giving children some leeway in the amount and kind of food they eat does much to insure the health of the child and the peace of the whole family.

Large Power Consumer

The nickel refinery at Port Colborne, Ontario, is one of the largest consumers of electric power in all Canada.

William V. Kahler . . .

(Continued from page 1) government. He became chief of the Bureau of Construction for the War Production Board. He was named as assistant vice president in 1943 and later in the same year he became general manager for Illinois Bell operations outside Chicago.

Mr. Kahler is a trustee of the Illinois Institute of Technology, a past president of the Western Society of Engineers, a fellow of the American Institute of Electrical Engineers. His home is in River Forest.

A University of Nebraska graduate, Mr. Jacobson began his career with Northwestern Bell in 1922 as a clerk. He advanced rapidly with numerous assignments in the company's commercial department. He was elected an officer in 1943.

Mr. McCorkle's new assignment is the climax of a 48-year Bell System career begun in Eminence, Ky., in 1902 as an office boy, janitor, and part-time collector. After being graduated from the University of Kentucky in 1908 he went to Chicago as a student traffic manager. He remained with the Illinois Bell until 1924 when he joined the A. T. & T. Company.

He returned to Illinois Bell in 1930 after several executive positions with the Chesapeake & Potomac Telephone Company, to become vice president in charge of public relations. In 1946, he became the company's operating vice president.

Mr. McCorkle has been active in a large number of community activities, including the Chicago Crime Commission and the Community Fund. Mr. and Mrs. McCorkle's home is in Evanston, Ill.

Hire Engineer . . .

(Continued from page 1) discussion on a Civilian Defense plan for the community in time of war.

The board approved its payment of \$2,500 to the Loins club as its share in the new downtown lighting system. The village also has to pay the engineering costs.

Irving Carey, president of the Lions club said that the merchants are about \$425 short on their \$2,500 contribution and an attempt will be made to raise it, and make the final payment of \$7,500 to Roy T. Hyre, contractor, by Dec. 18. The club already has \$2,500 for its share, but must stand responsible for any amount that is lacking.

The board stipulated that it must have a guarantee on the lights before it will accept them from the club.

THE PRESENT WITH A FUTURE

They waited hours and had a lot of trouble staying awake, and had almost decided to give it up and wait until morning. Just then—Santa came! Big and bright and cheery and carrying a bag as big as a house. In the bag they saw toys and candies and gifts for mother and dad, and they saw on the very top—United States Savings Bonds, the present with a future for them!

Old Organization

The medical society of New Jersey is the oldest unit of "organized medicine" in the United States, having been founded in 1768.

Shrubs

When a shrub has been poorly placed or has grown out of bounds because of poor selection or neglect, it is often desirable to replace it.

ALLENDALE TROUNCES ZION FOR SECOND WIN OF SEASON 53 to 25

The Allendale Tigers won their second game of the season currently by defeating the Central School of Zion by the score of 53 to 25. Although the game was hard-fought and very rough in spots, the Allendale team was never greatly pressed and was in a commandable lead throughout the entire game.

The game got off to a slow start and at the end of the first half Allendale lead by the score of 28 to 7. During the second half Zion began rolling but just couldn't come close to the high scoring Tigers, and when the final whistle had blown Zion was still 28 points shy.

Bill Shipperley was the high point man for the Allendale squad hitting the hoops for a total of 21 points. John Kelly followed with 12. Jackola was high for Zion with 11.

The Allendale juniors also came out on top winning their game 38 to 24. The defeat by the Allendale lightweights broke a long win streak of the Zion Junior team. Richard Meyer was high for the Allendale team netting a total of 12 for the evening.

Cave Pictures
Hopalong's enemies might have gotten the idea of concealing their identity from the early cave man. North African cave pictures reveal that in 18,000 B.C., men used masks to conceal their faces when hunting wild animals. They believed this was certain protection.

MILLBURN

Regular services at Millburn Congregational church will include Sunday school at 10 a. m. and worship service at 11 o'clock when Rev. L. H. Messersmith's sermon topic will be "Our Father".

Millburn unit of Home Bureau will meet at the home of Mrs. Robert Murrie at Russell on Friday, Dec. 15, with pot luck dinner at noon. The major lesson "Santa's Workshop" will be given by Mrs. Murrie and Mrs. Charles Lucas. Secret Pals will reveal their identity at this time with a gift exchange.

Rev. and Mrs. L. H. Messersmith, Kent Davis, Marion Miller, Chloé Diedrich, Hubert Davis, Mr. and Mrs. Carl Anderson, Mr. and Mrs. Paul Erickson, Mr. and Mrs. Leslie Bonner, J. S. Denman, Mr. and Mrs. Frank Edwards, Mr. and Mrs. James Foster, Mrs. Bertha Newman, Norma Welch and Mrs. Milton Bauman represented Millburn church at the annual dinner and meeting of the Congregational Union at the Palmer House in Chicago Friday evening.

The many friends of James Cunningham, son of Mr. and Mrs. J. A. Cunningham, of Deep Lake Rd., will be interested to hear of his marriage to Miss Doris Haver, daughter of Mr. and Mrs. George M. Haver, of Somerset, Penn., which took place at St. Paul's Presbyterian church in Somerset at 3:30 o'clock Saturday, Dec. 2. James is employed by the National Bureau of Standards Research Laboratory in Washington, D. C. The new couple will reside at 2107 N. Scott St., Apt. 65, Arlington, Virginia.

Mr. and Mrs. J. A. Cunningham

spent three days in Somerset and attended the wedding of their son.

Mrs. Harold Pullen returned home from Victory Memorial hospital Thursday.

Mr. and Mrs. Frank Thomas, of Ogema, Wis., are visiting at the Howell Kenimer home.

Rev. and Mrs. Messersmith and Kent Davis spent Saturday in Madison, Wis., at the Rudolph Slivka home.

Mr. and Mrs. Frank Edwards and Rev. and Mrs. Messersmith and Kent Davis attended the International Livestock Show and Horse show in Chicago on the evening of Tuesday.

Mr. and Mrs. Will Bonner spent Sunday afternoon with their aunts, Mrs. Laura Corris and Mrs. Nellie Murrie at Russell.

Rev. and Mrs. Messersmith, Kent Davis and Miss Vivien Bonner were

dinner guests at the Gordon Bonner home Sunday in honor of Mrs. Messersmith's birthday anniversary.

The December committee of Ladies Aid will serve dinner cafeteria style in the church dining room

Thursday noon. Mrs. Will Bonner is chairman, assisted by Mrs. Ralph Miller, Mrs. Tom Harness; Mrs. Os-

car Neahous, Mrs. Howard Bonner, Mrs. Burnheimer, Mrs. Earl Bauman and Mrs. Roy Bonner.

PUBLIC SERVICE COMPANY
OF NORTHERN ILLINOIS

How can you pass up prices like these?

AS we've been saying for quite
a spell — "Whatever your
price range—Better buy Buick."

But maybe we'd better get down
to brass tacks, as to just what this
suggestion means.

In the lower-price field, this has
been happening:

Four out of ten Buick SPECIALS—
bought by people with a car to trade
in—have been bought by folks who
formerly drove one of the so-called
"low-priced three." They found
they could afford a Buick!

In the fine-car field, something
even more impressive has
happened:

Four out of five people who looked
at a ROADMASTER and another very
distinguished automobile decided in
favor of ROADMASTER!

So—whatever your price range,
take a look at our prices—and at
what you get for your money.

What you get is the thrill of own-
ing the greatest Buick of all time
— as registered by record-break-
ing sales.

What you get is power and style
and comfort and performance
that are hard to match in any
other automobile.

More specifically — you get the
power-with-thrift of Buick's
famous Fireball high-compres-
sion engine — a style that stands
out in any company—a ride with
the comfort of coil springs on
every wheel — and performance
that makes you feel like the head
man on any highway.

Better come in today — and see
what can be done about getting
quick delivery.

Typical Delivered Prices on Today's New Buicks

Buick SPECIAL 6-pass. Sedan Model 46D with de luxe trim ..	\$1899.00
Buick SPECIAL 6-pass. 4-door Sedan Model 41D with de luxe trim	\$1983.00
Buick SUPER 6-pass. 2-door Riviera Model 56R	\$2139.00
Buick ROADMASTER 6-pass. 4-door Riviera Sedan with Dynaflow Drive* (Model 72R illus.)	\$2764.00

*Optional equipment, state and local taxes, if
any, additional. Prices may vary slightly in
adjacent communities due to shipping charges.
All prices subject to change without notice.

*Standard on ROADMASTER, optional at extra
cost on SUPER and SPECIAL models.

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

Bats' Radar

Bats are able to fly in complete darkness because of their own built-in radar systems. The explanation offered is that these creatures locate and avoid obstructions in their way by making supersonic cries which are echoed back from the objects as identifying electronic "echoes" comes back to radar gadgets. The night-flying technique of the creatures was revealed by experiments in which blindfolded bats were able to get about without mishap, while those with their ears covered could not.

Expert Marine

U. S. Marine Private W. A. Leavitt once field stripped and reassembled a machine gun in 27 seconds while blindfolded.

CHRISTIAN SCIENCE CHURCHES

The subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, December 10, will be:

GOD THE PRESERVER OF MAN

The Golden Text is:

"The Lord is my rock, and my fortress, and my deliverer; the God of my rock; in him will I trust: he is my shield, and the horn of my salvation, my high tower, and my refuge, my saviour" (II Samuel 22:2, 3).

Among the citations which comprised the Lesson-Sermon, the following are from the Bible:

"And it shall come to pass, that before they call, I will answer; and while they are yet speaking, I will hear. Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you: For every one that asketh receiveth; and he that seeketh findeth; and to him that knocketh it shall be opened" (Isa. 65:24; Matt. 7:7, 8).

The Lesson-Sermon includes the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy:

"God is not moved by the breath of praise to do more than He has already done, nor can the infinite do less than bestow all good, since He is unchanging wisdom and love. Prayer cannot change the Science of being, but it tends to bring us into harmony with it. The 'divine ear' is not an auditory nerve. It is the all-hearing and all-knowing Mind, to whom each need of man is always known and by whom it will be supplied" (p. 2, 7).

LAKE VILLA

Rev. Harrison announces sermon topic "Is the Bible all True?" for the worship service at 11 a. m. at the Community church next Sunday. You are welcome.

Haleyon club is making plans for the Dec. Family Night on Dec. 13, when the picture "Miracle on 34th St." will be shown after the pot luck supper downstairs and to which the public is invited. Just bring a dish to pass and join your neighbors in a pleasant social time at the church.

Mrs. Marie Hamlin entertained the ladies of the sewing club at a luncheon at her home last Thursday afternoon.

The Royal Neighbors will meet Tuesday afternoon, Dec. 12, at the home of Mrs. Marie Hamlin for pot luck dinner followed by meeting for election of officers. There should be a good attendance.

Boy Scout Troop 84 held a public meeting at the school gym on Monday evening and the troop was presented with a flag by the Fox Lake Legion post. Don Santy, Northwest district council commissioner showed movies on scouting. The Lake Villa Men's club sponsors scout activities.

Mrs. Herbert Fischer entertained friends at a party at the new home of the family on Cedar Lake road on Friday, Nov. 24, in celebration of her daughter, Mari-Margaret's second birthday. Guests included Russell and Virginia Bausch, Judy and Dennis Apostolau, Mary Lou Sorenson, Leonard Story, Ronnie Lystala, Mrs. A. Bausch, Mrs. Wm. Apostolau, Mrs. V. Blust, Mrs. A. Sorenson, Miss Margaret Birk and Miss Irene O'Brien, both of St. Louis, Mo., Mari-Margaret received many nice gifts.

Games were played and refreshments served.

Mrs. Clifton Bray had her daughters, Mrs. Virginia Whittemore and family, of Flossmoor and Mrs. Betty Naruara and family, of Grayslake at her home for the Thanksgiving dinner. Anne Whittemore remained with her grandmother until Sunday.

Mrs. Bessie Boyer spent a few days last week with her son, Richard, and family, at Lincoln, Ill.

Charles Von Oeyen, of Petite Lk., Ill., spent a few days last week with his son, Bob, and family in Chicago.

Miss Mildred Olson, of Chicago, was guest of her cousin, Mrs. Ben Cribb, last Saturday.

Mrs. Oelker, Sr., spent several days last week with relatives in Chicago.

The pinocle club met Tuesday afternoon this week with Mrs. Neil Reidel at her home on Cedar Ave. Pot luck dinner at noon, followed by games of pinocle.

Mrs. Wm. T. Somers, of Villa Wds. sub., passed away last Thursday night at the South Chicago hospital after an illness of a few weeks. Mr. and Mrs. Somers have lived in Lake Villa only a few years, but have made many friends by their interest in community affairs. She was a member of the Community church and very active in the work of the Woman's Society of which she was treasurer. Mr. and Mrs. Somers celebrated their golden wedding anniversary two and one half years ago. She was 69 years old and had lived most of her life in Chicago up to the time they built their home in Lake Villa. Her husband is a retired employee of Sears, Roebuck and Co. Besides her husband she is survived by two sons, Theodore R., of Chicago and W. Stuart Somers, who recently returned from a business mission in Brazil. Funeral services were held at the Lain Funeral chapel in Chicago at 10 a. m. on Monday by Rev. Harrison and a number of Lake Villa friends visited the chapel on Sunday or attended the funeral services.

Germ Killing Lamps Installed at St. Peter's

Germicidal lamps have been installed in St. Peter's school in an effort to make the rooms more healthful for the pupils and to reduce absences.

The lamps, two to a room, have been installed on an experimental basis, according to Fr. Francis Flaherty. The light from them is said to destroy many types of germs including some forms of the cold germ. They are left on at night in conditioning the rooms for the children next day.

Other schools have reported good results.

Mr. and Mrs. C. W. Wikoff and daughter, of Urbana, were guests of Mrs. Wikoff's parents, Mr. and Mrs. J. J. Rhymer Monday.

Not This... But THIS Will Save You More Money

A Few One-day or Week-End "Specials"

A&P

SUPER MARKETS

Customers' Corner

In order to give you the utmost in quick, convenient and satisfying shopping, we have extended self-service to most of the departments in your A&P.

But that doesn't mean that when you come to A&P you're "on your own."

The large, well-trained staff in your super market are anxious to give you all the help, guidance and individual attention you need.

For instance, if you can't find a particular item or department don't hesitate to ask for it. And if you want a special cut of meat, ask for that, too.

We will welcome any suggestions you may have that will help us make self-service mean better service to you.
